FOR IMMEDIATE RELEASE

NATIONAL FOREST RECEIPTS YIELD \$186 MILLION TO STATES

PORTLAND, December 10--Pacific Northwest Regional Forester John F. Butruille announced today that 31 counties in Oregon and 27 in Washington received more than \$186 million as their portion of national forest receipts collected in fiscal year 1990.

The Oregon amount totals \$149,671,844.62, and Washington state received \$36,850,575.11. Last year's respective totals were \$144,530,722.88 and \$43,386,937.25.

By law, 25 percent of the revenues collected by the Forest Service from the use of national forest system lands and resources are returned to the states as a source of funds for schools and roads. The funds are collected primarily from timber sales, grazing, recreation, and mining on the 191 million acres of national forest system lands.

These payments do not include 25 percent of the 1990 national grassland revenues. Those payments are based on calendar year receipts, and will be made in March 1991.

The three states receiving the largest payments are: Oregon, \$150 million; California, \$64 million; and Washington, \$37 million.
